

Bill no.:	Committee Print
Amendment no.:	30
Date offered:	4/26/06
Disposition:	Agreed to by VV

AMENDMENT TO THE COMMITTEE PRINT
OFFERED BY MR. SHIMKUS OF ILLINOIS AND MR.
INSLEE OF WASHINGTON

Seamless mobility

At the end of the bill, add the following new title:

1 **TITLE VI—SEAMLESS MOBILITY**

2 **SEC. 601. DEVELOPMENT OF SEAMLESS MOBILITY.**

3 (a) STREAMLINED REVIEW.—

4 (1) The Commission shall further the develop-
5 ment of seamless mobility.

6 (2) Within 120 days after the date of enact-
7 ment of this Act, the Commission shall implement a
8 process for streamlined review and authorization of
9 multi-mode devices that permit communication
10 across multiple Internet protocol-enabled broadband
11 platforms, facilities, and networks.

12 (b) STUDY.—The Commission shall undertake an in-
13 quiry to identify barriers to the achievement of seamless
14 mobility. Within 180 days after the date of enactment of
15 this Act, the Commission shall report to the Congress on
16 its findings and its recommendations for steps to eliminate
17 those barriers.

1 (c) DEFINITIONS.—For purposes of this section, the
2 term “seamless mobility” means the ability of a commu-
3 nications device to select between and utilize multiple
4 Internet protocol-enabled technology platforms, facilities,
5 and networks in a real-time manner to provide a unified
6 service.
